All products listed meet Federal Motor Vehicle Safety Standard 213 as of the date of publication. There may be car safety seats available that are not listed in this publication. The following information is current as of the date of publication. Before buying a car safety seat, check the manufacturer's instructions for important safety information about proper fitting and use.

The NHTSA has put together the car safety seat Ease of Use Ratings to educate parents and caregivers about car safety seat features and to assist them in finding the appropriate seat for their needs. You can view this list at [www.nhtsa.gov/Safety/Ease-of-Use](http://www.nhtsa.gov/Safety/Ease-of-Use).

Although the American Academy of Pediatrics (AAP) is not a testing or standard-setting organization, this publication sets forth the AAP recommendations based on the peer-reviewed literature available at the time of its publication, and sets forth some of the factors that parents should consider before selecting and using a car safety seat.
